Rarely does a home balance historic character and architectural significance with an exceptional North Raleigh location so beautifully. More than just a house, 2221 Weybridge is truly a special place in the coveted North Ridge & Woodstream Communities, where lasting memories are made, traditions are honored and gracious spaces invite you in for a warm hug. This timeless brick Georgian-inspired garden house style was featured in the November 1982 issue of Southern Living magazine, embodying the authenticity, craftsmanship, and nostalgia unable to be replicated today. This flexible floor plan includes a sought-after main-level in-law/guest suite complete with a private ensuite bath featuring a walk-in shower and generous closet, offering comfort and accessibility for multi-generational living or long-term guests. Steps from the large kitchen island, the sun-filled garden room is destined to become a favorite gathering space-perfect for lingering coffee mornings, nurturing houseplants, cozy book club nights, or entertaining a crowd. Take the fun out to the expansive deck stretching across the entire back of the home, overlooking a wooded backyard enhanced by beautiful new landscaping, creating a peaceful retreat that feels worlds away, while remaining close to all conveniences North Raleigh has to offer. An added bonus is the huge walk-in storage space under the deck, ideal for a built-in shaded petting shed with leftover
